Extra Tips for 2025 Visa Applications

- Start early: Many embassies have longer processing times post-COVID. Apply 2–3 months in advance.
- Double-check requirements: Each country has unique rules — always confirm with the official embassy website.
- Keep copies: Store both digital and printed copies of all documents.
- Be honest: Never submit false documents; it could lead to a permanent ban.

Use this checklist to stay organized and avoid last-minute surprises while applying for your 2025 visa.
